

## 2019-2020 HERI Faculty Survey COVID-19 Pandemic-related Additional Questions

The HERI Research Team has developed a set of Additional Questions related to the COVID-19 pandemic for the 2019-2020 HERI Faculty Survey.

If you would like to use the following 30 survey items as your full set of 30 Additional Questions:

- Contact HERI at least two weeks before your survey launch date at [heri@ucla.edu](mailto:heri@ucla.edu).
- If a sufficient number of institutions utilize this set of survey items, benchmarked data will be available for your institution.
- The \$350 fee for Additional Questions will be waived for *use of the full set of 30 survey items for your 2019-2020 HERI Faculty Survey administration* (if arranged in advance).
- If you are interested in a subset of the survey items, you may use them **with proper citation**, however we cannot provide benchmarking or discounts for such use.

If utilizing HERI's COVID-19 pandemic-related Additional Questions for 2019-2020 HERI Faculty Survey, please ensure the order of survey items and response options matches the format below exactly.

**1. Prior to the COVID-19 pandemic (starting around March 15, 2020), how many of your courses were taught exclusively online?**

- A=None  
B=1  
C=2-3  
D=4-5  
E=6+

---

**As a result of the COVID-19 pandemic (starting around March 15, 2020), please indicate the extent to which you:**

2. Feel confident in your ability to provide effective instruction exclusively online
3. Maintained communication with students that you mentor
4. Are concerned about your job security
5. Feel your research productivity (e.g. manuscripts, grant writing, experiments) has suffered

- A=To a Very Large Extent  
B=To a Large Extent  
C=To Some Extent  
D=To a Small Extent  
E=Not at All

*(Continued on next page)*

---

Please indicate your agreement with each of the following statements.

6. Campus leadership has provided an appropriate response to the pandemic
7. Faculty in my department were adequately prepared for teaching remotely
8. My institution's pandemic response prioritizes the health and safety of faculty
9. My institution has proposed an effective plan for fully reopening
10. Courses should be taught primarily online until a vaccine is developed

A=Strongly Agree  
B=Agree Somewhat  
C=Disagree Somewhat  
D=Strongly Disagree

---

How satisfied are you with the following institutional responses to the COVID-19 pandemic (starting around March 15, 2020)? (Mark one answer for each item)

11. Transition to working remotely
12. Transition to online course instruction/format
13. Availability of instructional technology/support
14. Access to campus facilities (e.g. research labs, equipment)

A=Very Satisfied  
B=Satisfied  
C=Dissatisfied  
D=Very Dissatisfied  
E=Can't Rate/No Experience

---

Rate the extent to which each of the following has been a source of stress for you during the COVID-19 pandemic (starting around March 15, 2020): (Mark one for each item)

15. Physical health
16. Mental health
17. Health of loved ones
18. Access to health care
19. The extent to which others adhere to physical distancing guidelines while out in public
20. Coping with social isolation
21. Personal finances
22. Childcare
23. Responsibility for educating your school-age child(ren)

A=To a Very Large Extent  
B=To a Large Extent  
C=To Some Extent  
D=To a Small Extent  
E=Not at All

*(Continued on next page)*

---

Please indicate your agreement with each of the following statements.

24. The U.S. should implement universal mail-in voting for the general election in November 2020
25. A national health care plan is needed to cover everybody's medical costs
26. The U.S. president has demonstrated effective leadership during the COVID-19 pandemic
27. The U.S. federal government should allow states to file for bankruptcy
28. The U.S. Congress has demonstrated effective leadership during the COVID-19 pandemic
29. Stay-at-home orders related to the COVID-19 pandemic were generally an overreaction
30. The U.S. president has been dishonest in his descriptions of the effectiveness of his administration's response to the COVID-19 pandemic

A=Strongly Agree

B=Agree Somewhat

C=Disagree Somewhat

D=Strongly Disagree
