

2004 Cooperative Institutional Research Program Approval

This institution agrees to participate in the 2004 Cooperative Institutional Research Program (CIRP). We understand that the Higher Education Research Institute's administration guidelines satisfy UCLA's Institutional Review Board (IRB) requirements for the protection of human research subjects and agree that we will abide by and comply with these guidelines. If local IRB approval of this research is required on our campus, we will administer the survey only after we have received IRB approval. No student will be sanctioned based on any answer provided on the CIRP Freshman Survey.
