There are too many steps to declare a major here

I think it does not matter what my major is, only that I obtain a degree

The availability of jobs is an important consideration for me in choosing a major

I do not know what I want to do in life

Regardless of my choice of major, the skills I gain in college will be applicable to any future career

I think my major should be closely linked to my intended career

I will be/was unable to get into my first-choice major

I do not know enough about majors to choose

I feel pressure from my parents/guardians to pursue a particular major

Information distributed on majors is useful

It is important that I find my major interesting, regardless of how “practical” it is

This campus has many events/activities to help students choose a major

I am likely to pursue my major at another institution

3. Have you officially declared your major?
