

COOPERATIVE INSTITUTIONAL RESEARCH PROGRAM
at the HIGHER EDUCATION RESEARCH INSTITUTE AT UCLA

Invitation and Reminder Templates

CIRP provides these templates as samples of invitation and reminder correspondence. Campuses should customize the invitation and reminder messages sent to students in order to maintain a tone that is consistent with campus culture. Campuses can also customize all messages so they appear to come from institutional representatives (e.g., President, Dean of Students, Director of Institutional Research). This document includes three sets of invitations and reminders, first for paper administrations, then for paper/web administrations, and finally for web administrations.
